

As a realtor you know marketing and image is key. The way you market your property is crucial to succeed in selling real estate. Therefore, it is important to avoid mediocre photos for marketing, because they often deter prospective buyer's interest. Instead, get prospective buyers excited about the best aspects a location has to offer before they actually arrive.

Book a location session at \$75.00 per hour and \$2.50 per image chosen

All location sessions have an hour minimum. Most homes take between 1-2 hours depending on the size of the home and number of rooms that are photographed. The images you choose from the shoot are put on CD to use for your marketing.
