Seniors

Photo Sessions

Evening appointments are available
for an additional \$25.

Weekend appointments are available
for an additional \$50.

Sessions are time based and you have the option to mix studio and outdoor photographing time however you would like. We have several great outdoor area suggestions if you don't have somewhere specific in mind. All sessions include a retouched image sent into your school for yearbook.

3 hours	\$200
2 hours	\$150
1 hour	\$100

Just need a yearbook photo? Then our 20 minute session is for you.

20 minutes	\$75
------------	------

To get a great yearbook photo, use this session to have a few headshots to choose from. This session includes one outfit. You review and decide on your yearbook image right after the session.

We encourage you to bring in some of your own items to help reflect your unique personality in your photos. Items such as instruments, artwork, hats, sport equipment, or any other interests that you have. Items that friends immediately associate you with are ideal.

Studio Policy

The studio session fee is due at the time of the photo shoot. When the print order is placed, 50% of the order is due up front. The other 50% of the order will be due upon receipt of your order. We accept cash, check, and credit cards.

Reviewing Photos

You will be able to review all of your photos in the studio. You can discuss which photos are best for you as well as options available for the photos you choose. The Review and order session is generally about a week after your initial session.

Retouching

All of the poses you choose are retouched. This includes the removal of blemishes, skin smoothing and whitening eyes and teeth.

Advanced Retouching

Advanced retouching includes the removal of excessive stray hairs, removal of braces, removal of extreme glare on glasses, slimming, and other corrections you may want. Prices depend on the image and will be determined upon request.
